

Dear UHT Instructors,

Since my early years I have continuously built up the Universal Healing Tao System, and I have been teaching for almost 50 years. It is important to me to bring all the knowledge to as many people as possible and I was and am willing to put all my energy into this.

In order for me to be able to continue teaching in the future despite adverse circumstances, however, I now need your support in the form of a voluntary membership fee for full registration on our worldwide instructor website www.universaltaoinstructors.com . As part of this change, there are some modernisations on this website.

Here are the **modalities** for the planned contributions and how they are to be used:

- Your voluntary contribution to the Instructor Community **60-180 USD per year**, depending on your own possibilities.
- Committed use of contributions to maintain the instructor community and ensure my (MANTAK CHIA) future online teachings
- Operation of the website www.universaltaoinstructors.com
- Zoom contributions for MANTAK CHIA Online Teaching
- Team costs for production of MANTAK CHIA Online Teaching
- **No coverage of other expenses**
